

DEESIDE RAMBLERS HOCKEY CLUB

Project Information

Refurbishment Project

Address: Gardenhurst Estate, Whitchurch Road, Tiverton, Tarporley, Cheshire, CW6 9NA

Facility: 100.4m x 59.5m Synthetic Turf Hockey Pitch

Pitch System: New NottsGrass Mono 18 sand dressed synthetic grass

New NottsPad XC shockpad

LAIID ONTO EXISTING -

Engineered macadam base

Underlying piped drainage system

Other Features: Brand New 36m x 28m practice pitch with new NottsGrass Mono 18 sand dressed synthetic grass and reclaimed shockpad laid onto new macadam base with associated perimeter fencing and lighting

Replacement Floodlighting lamps recycling existing columns

Access Paths

Replacement Kickboards to existing synthetic

Built: Resurfaced - June 2013

Points of Interest: The original pitch was surveyed by Notts Sport in June 2010 and deemed in need of replacement in Summer 2013.

The replacement surface was chosen to provide the best possible performance for hockey without converting to a water based pitch and included the construction of a brand new 36m x 28m practice / warm up area.

The entire project was completed in 6 weeks and is the first project to finish using the Sport England Improvement Funding, National Hockey Foundation grant and England Hockey CIP programme funding.

Refurbishment Cost: £360,000 + VAT

Testimonial: "We were very impressed with the way that Notts Sport offered to help with every aspect of the project and the level of support they gave, nothing was too much for them."

Howard Green, Chairman
