

Lytchett Minster School, Dorset

Project Information

Address: Post Green Road
Lytchett Minster
Dorset

Facility: Synthetic Turf Pitch - 89 x 49m plus 2no. 10.0m x 3.0m goal alcoves. Non Turf Cricket Facility - 4 bay practice facility with full batting & bowling ends

Sports: Hockey, Tennis, Football Training, Cricket Practice Nets

Pitch System:

- Dynamic granular stone base
- Sand Envelope System performance control layer
- Sand Dressed Tufted Manufactured Synthetic Grass

Built: Spring 2009

Refurbishment Cost: £480,000

Contractor: S & C Slatter Ltd

Points Benefits

- Enhanced and versatile space for PE & sports development
- High quality hockey surface for improved coaching and practice
- Robust and durable facility for external sports & community groups
- Easy Maintenance

Points of Interest

- The footprint was constrained by site boundaries to 3 sides and a mature Chestnut Tree with an associated tree protection order (TPO) to the open aspect
- The design had to maximise the space available without ingressing into the TPO and as it was within a conservation area, fit into the natural surroundings
- The addition of the 4 bay cricket practice facility means the school has become a hub for the Dorset County Cricket Elite Performance Programme
