

# RICHMOND SCHOOL

## Project Information

### Refurbishment Project

**Address:** Darlington Rd Richmond, North Yorkshire DL10 7BQ

**Facility:** 101.4m x 63.0m

**Pitch System:** New NottsGrass SD sand dressed synthetic grass (FIH Compliant)

LAID ONTO EXISTING -

VHAF Rubber Crumb Shockpad

Dynamic granular stone base

**Other Features:** Permanent and Semi -Permanent painted lines for football, hockey & 5-a-side Football pitch

New self-weighted, free standing football and hockey goals

**Built:** Resurfaced - May 2013 (Originally Built—1996)

**Points of Interest:** The original construction was installed in 1996. The project in 2013 was to replace the existing sand filled surface with a replacement high quality FIH National compliant sand dressed synthetic grass also capable of supporting multi use facilities.

The existing VHAF Rubber Crumb Shockpad & dynamic base construction has proven to last the life of 2 carpets at sites throughout the UK providing customers with a system that can be reused rather than replaced and reduce the costs of refurbishment in comparison to other performance layers and shock-pads.

**Refurbishment Cost:** £155,000 + VAT

**Sports:** Hockey

Football (Coaching/Training)

Tennis

Netball

Aerobic Activities and Games
